- Jan / Dawn to arrange method for online ordering and payment.

Radio:

- One old style radio to be repaired
- Small 2 way radios for carnivals – does anyone know where the 4th one and charger is

JAC:

- Scotty on holidays
- OLP (Ocean Launch Pad) repaired
- All awards and proficiencies are now in system OK be end of December

Club Captain:

- Most people proficient
- Most patrols updated on other information – quad bike rules – land line phone to be always manned on patrol – make sure we have radios on scan – update on spinal (no neck braces use board) – use water proof bag when taking radio in duck
- Patrol van needs a little bit of work plus new music radio
- Christmas Day patrols – a bit light on – roster (volunteer) to be investigated for next year
- Australia Day – most things under control (colour run needs sorting out)
- Development Carnival 6th January
 - Food (Josh)

- Max to pick up bread
- Skip to send out program and ask for coordinators
- Josh to email out spreadsheet for jobs
- PA will use our own
- Branch same as above but need official catering Skip to get volunteer(s)
- Triathlons 21st January and 16th February

President:

- New Years function well attended.
- Reviewed up coming events (till March).
- Pretty much everything else has been covered off already.

General Business

- Christmas party next year Club to provide nibbles and then order pizza based on people who are here (\$10 per head ish)
- Jan is cleaning out office. If anyone wants anything let her know
- Patrol had to go to river today and motor overheated (put out of service)
- During Christmas duck to river on busy days
- Max to put note on oxy viva to remember to bleed out after checks
