ABSTAIN: 1

Changes to policy were NOT CARRIED

- Request by Trina for replacement of Training Defib pads and parts due to overuse and salt/rust.
   Quote of \$400. Josh indicated that there are 4 training defibs owned by the Club and to check those parts first.
- Approved to buy training pads if there are none available at the club.

- Julie requested that the amounts for the Water Safety for Sand and Sea and Little Husky be forwarded so they can be sent to Elite Energy.
- Lily asked about the process for approaching businesses for Sponsorship. Brett reminded
  everyone that the Executive should be notified first before approaching the business to ensure
  that that there is no conflict according to SLSA policies and also that existing sponsors are
  respected. For example: The Cellars has approached to supply sponsorship for Nippers but this
  is not appropriate. A local church has also offered sponsorship but SLSA polices do not allow
  surf clubs to display or show support regarding religious affiliation.

#### Minutes Junior Activies Committee meeting Thursday, 9<sup>th</sup> November, 2023

Meeting commenced 8.05pm.

Present; Jocelyn Quinn, Lilly Gazzard, Tegan Ross, Jan Horspool

Apologies; Lee Singleton

#### Competition/Water/Training

Expressions of interest have been asked in relation to attending the Country Championships in January to be held at Warilla Beach. Jocelyn will set a date for close of entries. Both Jocelyn and Tegan will follow up at Nippers on Sunday to promote the carnival. Team gear was discussed and Jocelyn will follow up with Gerringong to source the supplier of the club shirts.

Water safety –Jan to follow up with the Senior committee to find out what is happening with the Roster for a Patrol to be set up by 9.00am of a Sunday. Jan is also to follow up with Josh and Gary in relation to Water Safety shirts – have they been purchased and if so, where are they located for distribution.

Proficiency for Water Safety is to be done on the 12<sup>th</sup> November and 19<sup>th</sup> November at the conclusion of nippers. Tegan to advise all Water safety of the dates.

Tegan raised that Water Safety Risk Assessments are to be done every week. An email had been sent from South Coast Branch requesting both the JAC checklist and risk assessment be sent through each week. Tegan was not aware of the Risk Assessment process as this has not been done last year. Jan mentioned that there is a Nippers app in Surf Guard but unfortunately Tegan does not have access to Surf Guard. Further investigations to be done – Skip, Ben, Josh to be asked if they are aware of the process and what is needed.

Jocelyn suggested the current SRC squad be invited to attend board training on a Thursday afternoon to improve their board skills. Lilly will post this on the group chat and Jocelyn to suggest to Skip.

#### **Cadets**

Junior Lifesaver of the year to be promoted at Nippers on Sunday. Applications from those interested to be provided by 19<sup>th</sup> November. That will provide time for applications to be evaluated and successful candidates interviewed prior to the cut off date of the 1<sup>st</sup> December.

Lilly advised the Cadet movie night had been a great success and another was planned closer to Christmas. Possibly the  $4^{th}$  or  $6^{th}$  December.

#### Attendance

Tegan mentioned that Keren had provided a list of Nippers attendance which was a great source of information when considering awards at the end of the year. It was great to see that 216 Nippers were registered. Jan will organise for an Age Managers attendance record (old fashioned hard copy) to be displayed at nippers each week. A Water Safety sign on sheet will also be displayed. This will help to assess the percentage of attendance of each group.

#### General

Nippers Christmas Party was discussed. It will be held at the conclusion of Nippers on the 10<sup>th</sup> December. Santa will hopefully arrive on a Jet Ski distributing the mandatory lollies.

Helpers for Santa Photos are to be promoted on Sunday to ensure this fund raiser is successful.

Nippers Calendar to be displayed on Fashion Facebook so all families are aware of upcoming activities. Jan to send this to Tegan.

Jocelyn would like to purchase 7 new boards. 4 Foam boards, 2 Fibreglass boards and 1 Foam Mal. Joc to get a quote from Infront for the boards and pass to Jan who will then follow up with the Treasurer for payment.

The question of Sponsorship was raised. This is to be followed up at the Management Committee meeting to find out what is happening. Stacks have offered to sponsor the Nippers every week and approval from the committee is to be sort for this to happen.

Age Award certificates. It was agreed that the most appropriate option was for the certificate to be emailed direct to the member. Jan to follow up with Branch.

Uniform sales are going well with total sales exceeding \$7,000. Cut off for orders to be placed to ensure they are back in time for Christmas is Wednesday 15<sup>th</sup> November. Members have been advised via Facebook – both Nippers and Seniors pages.
